- Master
- Doctorate

## STUDY EDUCATION PROGRAMS

We're dedicated to shaping the future of education through our diverse range of programs. Whether you aspire to become a teacher, educational administrator, or pursue advanced research in the field of education, we offer comprehensive programs tailored to your goals.

## BACHELOR OF EDUCATION

### ENGLISH

Graduates will hone their skills to proficiently teach English language and literature, inspiring a love for literature and effective communication in their students.

### MATHEMATICS

Mathematics majors will delve into the intricacies of numbers and equations, preparing to engage students in mathematical concepts and problem-solving skills.

### GENERAL SCIENCE

Science students will explore the realms of biology, chemistry, and physics, equipped to ignite curiosity and scientific inquiry in young minds.

## BACHELOR OF EDUCATION

### EARLY CHILDHOOD EDUCATION

Graduates specializing in Early Childhood Education will gain the expertise to nurture young learners during their most formative years. They will develop strategies to foster creativity, social skills, and a lifelong love for learning in children under 8 years old, shaping the foundations of their academic and personal growth.

## MASTER OF EDUCATION EDUCATIONAL ADMINISTRATION

### M.Ed.

Graduates specializing in Educational Administration will be prepared to assume leadership roles as principals and school administrators, and can earn their educational administrator's license.

### LEARNING MANAGEMENT

### M.Ed.

Those focusing on Learning Management will obtain a permanent teacher's license after taking the licensure exam, empowering them to excel in the classroom and guide students towards academic success with expertise in educational theory and practice.

## FACULTY OF EDUCATION

## DOCTORATE EDUCATIONAL ADMINISTRATION Ph.D.

Embark on an exhilarating journey of advanced research and academic exploration in educational administration through our Ph.D. program.

Discover innovative approaches to leadership and policy in education, igniting transformative change within the field while leaving a lasting legacy. Join us in shaping the future of education and making a profound impact on the lives of learners worldwide.

## GRADUATE DIPLOMA & PERMANENT TEACHING LICENSE

Upon completion of the Graduate Diploma program, graduates will be eligible to take the license exam and earn a permanent teaching license.

## WHY CHOOSE ST TERESA?

- All programs are accredited by the Teachers' Council of Thailand.
- Learn from experienced educators and academic researchers.
- Gain hands-on experience through internships and practical training.
- Unlock new opportunities and advance your career in education.
