STIC works with Nakhon Nayok Red Cross Society on health promotion

IRON
and Blood Donation 

Donating blood reduces the amount of iron in your body. Taking iron supplements can help you replace this iron.

Iron and Menstruation
Menstruation reduces the amount of iron in your body. Taking iron supplements once a week can help you replace this iron.

**We care about your health,
The Nakornnayok Provincial Thai Red Cross Society
St Theresa International College**

St Theresa International College (STIC)'s Faculty of Public Health in co-operation with Nakhon Nayok Provincial Red Cross Society jointly launched a daily iron tablet supplementation program after the blood donations concluded.
